We have some exciting plans in store for this year's PAWS (Peers Are Wonderful Support) Conference! We've heard loud and clear that you would like the opportunity to connect with students from different towns, so this year we are swapping the typical format for one that is more interactive. This year you will have the opportunity to hear what other towns are doing, share ideas and participate in small group skill building activities.

We have invited Dover Youth 2 Youth (www.dovery2y.org) to present at this year's event. You will have the opportunity to participate in large and small group presentations that will be led by youth facilitators. You will learn skills that will allow you to go back to your communities and spread your prevention messages to your school and town. It is shaping up to be a GREAT event and we hope you can join the fun!

Please select a lunch option and return this form and the \$14.00 registration fee to your advisor ASAP!
